**RESPONSE TO NON-COMPLIANT AMENDMENT AND
SUBSTITUTE SPECIFICATION**

Mail Stop Non-Fee Amendment
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

A Substitute Specification is enclosed herewith, and as provided on 1/22/04 that adds line numbering throughout the specification and claims of the captioned application. This is being submitted within one month of the Response to Non-compliant Amendment and therefore Applicant believes no fees are due.

As stated previously, under 37 C.F.R. §1.125(b)(2), numbering of the paragraphs is **not** considered a change that requires a "marked-up" version of the specification. The enclosed Substitute Specification contains no new matter. Applicant has, however, added the "(Original)" designation after each claim number.
